207 State House  
Springfield, Illinois 62706

Dear Governor Pritzker:

Pursuant to Illinois Compiled Statutes, Chapter 40, Act 5, Article 1, Section 109.1, the Metropolitan Water Reclamation District Retirement Fund (the Fund) respectfully submits our annual report regarding the utilization of MWDBE investment managers and broker-dealers. All information contained in this report is as of September 30, 2025, unless otherwise noted.

The Fund recognizes the importance of racial, ethnic, and gender diversity in all areas. Our Board of Trustees is 57% minority and women. At the consultant level, both the Partner and supporting Vice President on the account are minorities.

As a percentage of actively managed assets, as of 11/30/25 MWDBE firms represented over 31% of Fund assets. Please refer to Exhibit A for additional current information on the Fund's MWDBE investment managers.

YTD trading activity as 9/30/25 with MWDBE Brokerage Firms, compared to previous year, reflects:

	<u>2025</u>	<u>2024</u>
Domestic Equity	61%	56%
International Equity	29%	32%
Global Equity	47%	51%
Fixed Income	31%	29%

In all areas, the Fund's managers have met or exceeded the established goals regarding the utilization of MWDBE broker dealers. The Board will review these utilization goals annually. Our Trustees continue to encourage the Fund's investment managers to increase the use of minority broker-dealers, subject to best execution. Broker-Dealer utilization goals and YTD commissions can be found in Exhibit B.

In addition to Exhibits A & B, you will find the following Fund policies: Minority Investment Manager Utilization Policy, Investment Services Procurement Policy, and Broker/Dealer Policy.

If we can be of further assistance, please let us know.

Sincerely,

A handwritten signature in black ink, appearing to read "James E. Mohler".
